The frame, made of galvanized steel profiles, is left unfinished. Both the seat and the backrest consist of boards made of tropical wood.

Construction de profils d'acier galvanisé, laissé en état galvanisé brut. L'assise et le dossier sont formés de plateaux de bois tropical.

La construcción de la estructura es de acero galvanizado, manteniéndola en su forma natural. Asiento y respaldo hechos de tablas de madera tropical.

Konstruktion aus vollverzinkten Stahlprofilen, deren Zinkoberfläche unbehandelt gelassen bleibt. Sitz und Rückenlehne aus Tropenholzplatten.
